A Petition to The House of Commons in Parliament Assembled
Concerning

Child Pornography

We, the undersigned residents of Canada draw the attention of the House to the following:

THAT the creation and use of child pornography is condemned by the clear majority of Canadians.

THAT the courts have not applied the current child pornography law in a way which makes it clear that such exploitation of children will always be met with swift punishment.

THEREFORE, your petitioners call upon Parliament to protect our children by taking all necessary steps to ensure that all materials which promote or glorify pedophilia or sado-masochistic activities involving children are outlawed.
